Steve: I sincerely hope that
you and Pat are forever together
and happy! you make the most perfect
couple. Don't worry to much about little
things and be patient. I don't want To
sound like a father but hope you will be
happy. Best of luck.

A Friend forever

John

Steve I want you to know
and never forget that you and
Pat are the best friends that I have
ever had. you are a real great guy and if you stay the
way you are I won't be the only one who thinks of you
as I do and always will. I've known you for
only about 3 or 4 months but I feel that I've
known you for a lifetime. We've had
some pretty big problems to share
with each other lately but
we worked them out.
Steve, I promise
you I will be
back by Sept.

FORWARD

We, the Annual Staff of 1959, present Dias Cardinales.

This yearbook represents you . . . the activities in which you participated, the many friends you made, and all the spirit and enthusiasm that you exhibited during this year at Hoover.

When you look back upon this annual in the future, thoughts of the many memorable occasions and pleasant times at Hoover will flash through your mind and will stay in your fondest memories.

May we present to you, "Hoover Highlights."

Steve,
The very best of everything to you always. Bev

Steve,
Best of luck in
the future years to come.
Remember Mrs. Stair's third
grade. You were a good Indian
chief. That was a long time. I
might see you this summer at
the beaches. Take it easy.

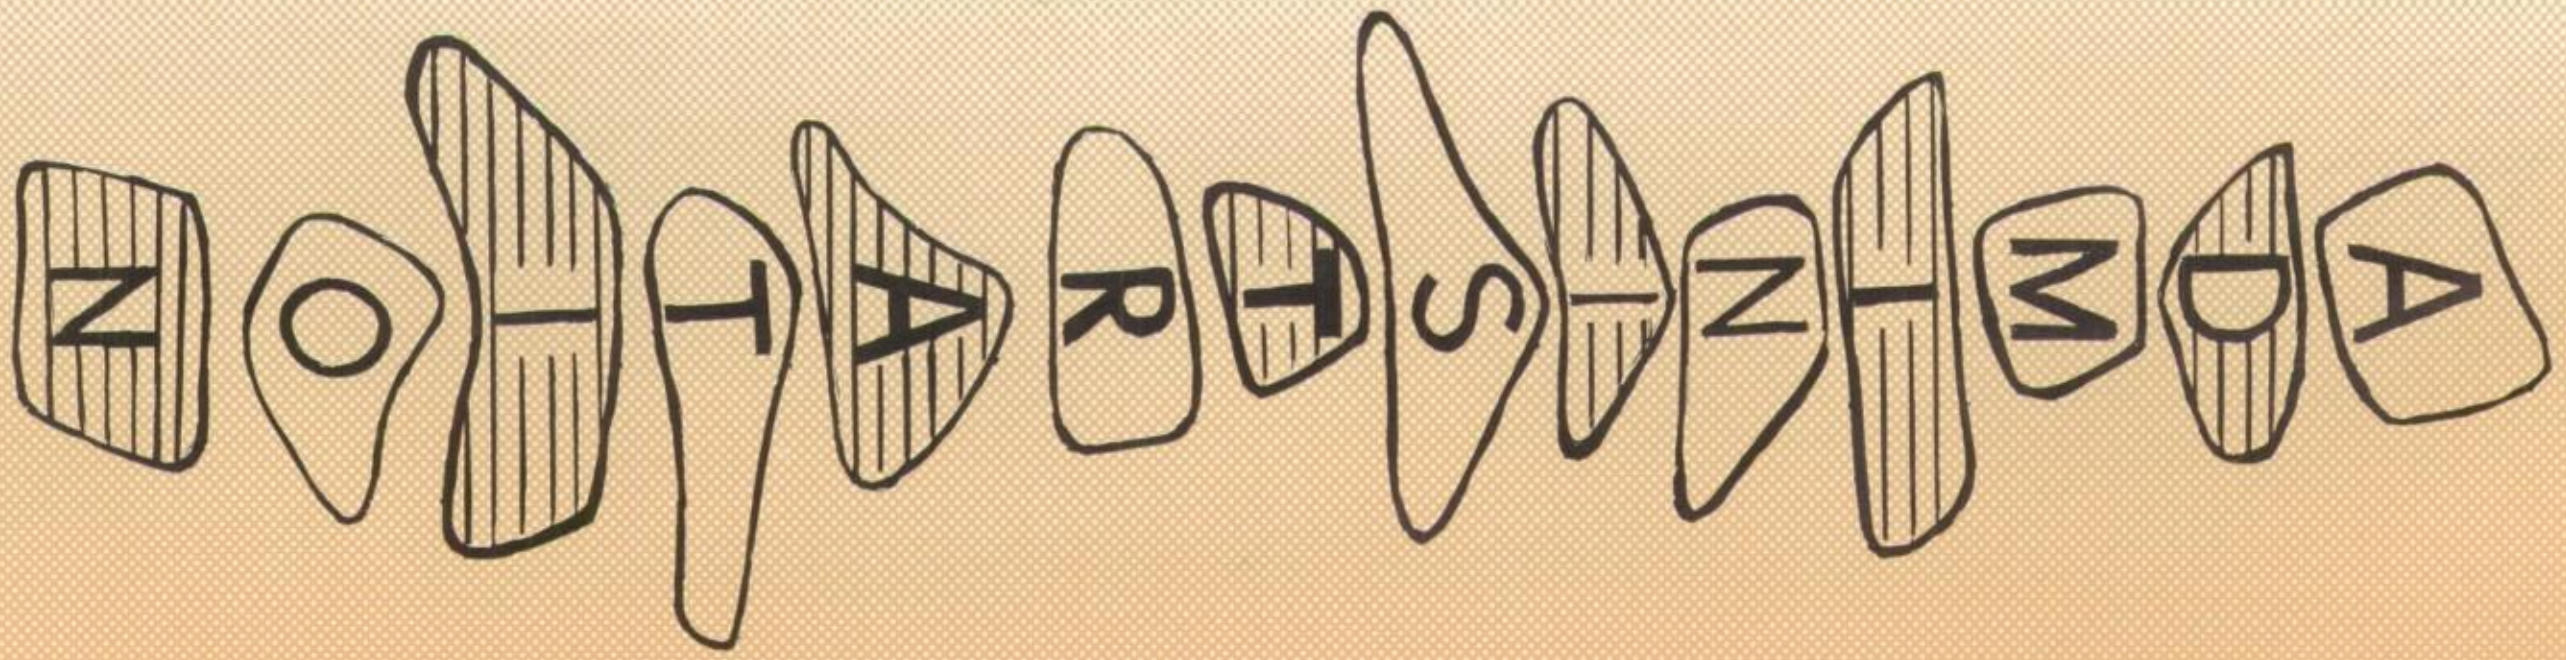
ADMINISTRATION



MR. ALLEN

Members of the Graduating Class of 1959:

During your years in Herbert Hoover High School you have had many high lights. An emphasis has been placed on the academic, especially mathematics and science, to meet the many challenges of the space age exploration.

In this race for outer space it will take more than the development of material things. Mankind will have new frontiers to conquer in the interplanetary skies. He will have to learn how to get along better with his fellow men.

Seniors, you have the whole universe before you. The last three years of high school have been just the beginning of your preparation for this space age.

Continued success to each one of you and Godspeed.

Sincerely,
Percy Allen

Principal and

Vice Principals

HELEN F. DILLON

"It was the best of times, it was the worst of times . . ." These opening words of Charles Dickens' "Tale of Two Cities" might describe some of your memories as you recall your Hoover highlights. The winning of an election or a defeat on the athletic field may characterize for you the best and worst of times.

For each of you the recollections of your years at Hoover are most meaningful because of the persons involved. The friends who made posters and conducted your election campaign, the teammates who shared your tears as you left the game—the persons in your life at Hoover have made even your unhappy moments warm and memorable.

May the highlights of your years ahead be challenging and rewarding even though all may not be "the best of times".

Helen F. Dillon

MR. FORD

Seniors:

Members of the class of '59 have earned the respect of the Hoover faculty for their consistent demonstration of **good will,** in addition to many other fine qualities. Outstanding has been your individual efforts to abide by the sacred admonition —"Do unto others as you would that others do unto you".

This **good will** trait which we are certain enhanced your satisfactions and happiness during your tenure at Hoover will prove a most rewarding asset in your future endeavors.

Good Luck,

ROBERT E. FORD

Reserve FOR PATRICIA THORP

Dear Stu -

Here we are - only at the beginning of a very long and happy road - looking forward to the many joys and even the headaches that lie hidden in our paths. These last few months have held many exciting moments and yet I realize they are only the beginning - I'll never forget coming home from Compton or the Senior Play or the drives up to the mountains and I'll always remember the day we went up to the races at Ascot - that was the day I met your folks and I was so scared! I just knew they would never approve of me but they were really swell and I think the world of them - Well, that was just the beginning and I know that with each new day there is something new for us: maybe not something extraordinary, but something that we will long remember and for which we will long be grateful - maybe just a word or a glance yet something that we can share with only the other -

Stu - you really deserve the best of everything and that's just what I want for you: the very best - I know you'll work hard for whatever you want and desire and I'm positive of one thing - that continued success lies ahead of you in all you do - I pray God will guide you and keep you safe - come what may and grant you the happiness you deserve and desire -

You've taught me a lot - about getting along with people and about growing up in general and I'll always be grateful to you - Good luck Stu and God bless you -

All my love -
always
Pat

P.S. Hope you're not always "an old grouch"

Reserved for MO. "Little

Dear (or should I say Deer?)
Steven?

"Well, well" said the ditch digger!" I really dig you and think you are a real doll. I guess we'll always be buddies considering we have a "mutual" concern. (Guess who!)

I think you are about the best sort of a guy around, I mean it. Someday we'll all have our "Dream Lovers" - even as you guys have yours! (Lucky pups!)

I'll always remember the fun we've had as a group and how valuable a part you played in the life of the group. Things like the change you effected in Pat, were remarkable and wonderful. Thanks, because it was a personal favor, in that it stimulated a deeper and more sincere friendship for us. Steve, I really want to wish you the best of everything (including Pat) and may all those dreams and desires find their fulfillment.

Never loose hold of the faith in the Divine Power, and in the promise of prayer.

I'll always remember the fun and the good times - the Prom, Commencement and the cabin. (And many others.)

Best wishes and loads of admiration to a really fine guy.

Love ya,
Marilyn

P.S. Don't be a "grouch," either, also, too! (Just kidding - you're sweet.)

Despite the 6-3 record, credit should still be given to the players. Probably most memorable was the Hoover vs. Crawford game. It was the start of another strong rivalry. Hoover won the game 13-12.

Next came a five game losing streak at the hands of Helix, 21-0; Saint Augustine, 34-25; Kearny, 18-12; Point Loma, 13-12; and Mission Bay, 13-12. In most of these games, Hoover rallied too late to win.

La Jolla proved to be one of the most exciting games. After trailing 18-0 in the first half, the Cards bounced back to beat the Vikings 20-18.

Next came Lincoln and San Diego, in that order. After a hard-fought, pad-slamming 4 quarters, the scoreboard proclaimed a 14-13 victory for Hoover. Hoover proved little competition for City League champs, San Diego. Though trying to the finish, the Cardinals couldn't stop the Singleton-led Cavemen. The final score was 40-0.

Don Loshonkohl was named team captain; John Thompson, the most valuable player; Gilbert Kindt, most improved player; and Phil Hernandez, most inspirational player.

VARSITY BASKETBALL

The ever dangerous Hoover boardmen had another successful season.

Though somewhat inconsistent in the win-loss column, they advanced to the S. C. I. F. quarter finals only to be beaten by a most talented Compton five.

Injuries plagued Coach Hampton's boys most of the season. Top man Harry Stadnyk was decommissioned in a rough and tumble game early in the season with Mira Costa and remained out most of the season.

The ineligibility of tough and aggressive Ron Crosby for four crucial games added more to the Card's woes.

Wayne Brtt's recognition as a member of the all-city first team was a well-earned tribute. Big Bill Lee was named as a member of the Kiwanis Tournament first team and continued to improve as the season progressed.

Here's looking back on a most exciting, well-played season—congratulations!

Coach Holt

Winning the C. P. L. championship has become a traditional with Raleigh Holt's distance men. Again this year they had little difficulty in striding home with the league trophy.

A lot of commendation must go to these boys who, as league champs, so consistently bring recognition to Hoover High.

The top five men on this year's team were Steve Coffman, George Anderson, Harold Valderhaug, Larry Sheehy and Jerry Mortensen.

TRACK AND FIELD

Coach Holt's cindermen are at this printing on the road to another successful season.

Though lacking strength in one or two events, the team has managed to win its share of the meets. Even in losing, the individual members have shown much ability and determination.

High point men this year are Bill Lee in the high jump, broad jump, and hurdles; Harold Valderhaug in the half mile; Lyle Pesh in low and high hurdles; Mickey Pleasant in the broad jump; Dale Johnson and George Bassett in the sprints.

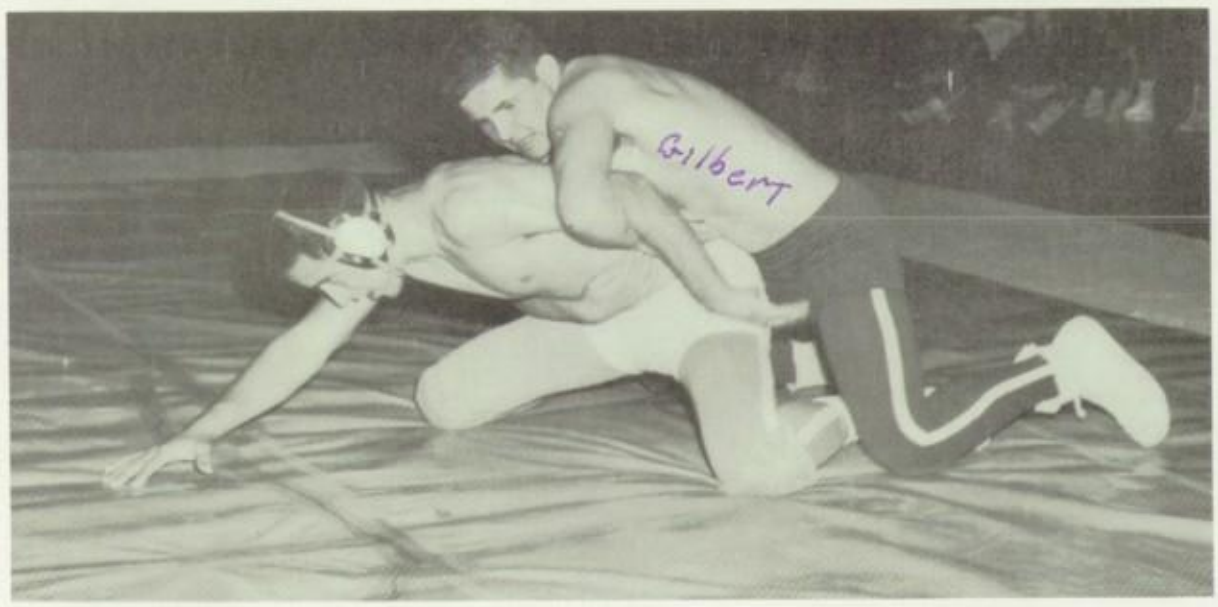
WRESTLING

The Hoover matmen compiled some fine individual records and accomplished some noteworthy feats though they failed to place at the top of the league standings. For the first time since wrestling came to Hoover, San Diego was defeated by the Cards.

Outstanding individual performances were turned in by John Thompson, who won his last three matches and placed third in the S. C. I. F. Southern Section finals; Steve Meek, who went undefeated in league matches; and Gilbert Kindt and Arlen Mosely.



Row 1. Treahy, Brooks, Deppe, Cohen, Moxness, Robinson

GOLF

Near the end of the first league round, the Hoover greensmen had compiled an impressive 5-0-1 record and were tied for first place with Point Loma.

Ken Brooks, a consistent mid-70 shooter, was number one man.

Allen Treahy and Dean Moxess were other low scorers who were making the club dangerous.

VARSITY BASEBALL TEAM

At the present time the Cardinal Nine, though winning their share of games, were finding it difficult to win the ones that count.

With lots of power at the plate, good pitching, and a host of promising Juniors, Coach Vickery's gang could yet prove to be one of the teams to beat.

Wayne Britt at first, on the mound, and in the outfield; Dennis Loso at short; Mike Duensing as utility infielder; and Gregg Post on the mound and in center field were the only Seniors on a well balanced team.

But for a decided weakness at one or two positions, which will undoubtedly strengthen with experience, we could look forward to a much better second round than first.

TENNIS TEAM

At press time the Hoover racket men have won 2 meets and lost 3. Coach Whitehead forecasts a 3rd-place finish for a team that will have faced a lot of stiff competition.

Top men in the order of their standing are Leonard Heuman, Ron Lindt, Dick Lee, and Chuck Owens.
